Sub-Committees for 2024

Members on sub-committees do not need to be committee members, in fact we would love for these to be filled by other members if possible as the committee by default will be involved in all club events and activities. All Sub-Committees will be guided and supported by a Committee Member if not Exec Member.

Open Day SubCommittee Seeking 3-4 members	This SC will help plan, prepare and execute a fun and exciting Open Day where new members can come to meet the club, 'try netball' and hopefully sign up. Most time will be required Jan/Feb for this event. Additional volunteers will be recruited to help on the day with various activities.
Twilight Carnival SubCommittee Seeking 4-6 members	This SC will help plan, prepare and execute our annual Twilight Carnival, where all our teams get to know each other in their 'first' game of the season. Most time will be required Feb/Mar/early April for this event. Additional volunteers will be recruited to help on the day with various activities.
End of Season SubCommittee Seeking 8-10 members	This SC will help plan, prepare and execute our end of season event/s where all our teams get to celebrate their season. Most time will be required Jul/Aug for this event with some initial planning earlier in the year. This SC will be guided by our President.
Junior Development Committee Seeking any interested Jnr members (aged 12-18)	This SC is a development (mentorship style) group for our JNR members that have an interest in being more involved in club activities (outside of coaching) and learning how things work.

Please email the club on thebluesnetballclub@gmail.com if you would like to join a SubCommittee.

Important Note: Please consider your availability when nominating for a role. All roles require active engagement and participation in most, if not all club activities, before, during and post seasons. There is a lot to do to make our club great, but with more hands-on deck, we believe we can truly achieve great things for our Blues Family in 2024. If you'd like more details on time required for a specific role, please reach out to thebluesnetballclub@gmail.com

Yours in Netball,
NLBNC Executive Team
